

GERALDINE TAN

CREATIVE

ABOUT

Hello, I'm Geraldine. With over a decade of experience in advertising, I've built an all-rounder expertise spanning ATL campaigns and social media. I love shaping stories that make brands feel human and ideas that spark connection.

Away from the creative chaos, I'm happiest outdoors. A boy mom, a fur-mom, and a traveler at heart who believes inspiration is everywhere if you know how to look for it.
